

Influenza and H1N1 Clinics

**CHRISTIANA CARE
HEALTH SYSTEM**

Occupational Health & Wellness

Christiana Care Occupational Health & Wellness will be offering corporate influenza clinics again this year. The vaccine this year combines seasonal influenza and H1N1 protection. We are contacting our past clients to determine if you would like to participate in on-site flu vaccine clinic this year.

The clinics will run from September 20, 2010 through December 10, 2010 - 7:00 am through 5:00pm.

Cost of flu clinics this year will be based on number of employees. On site corporate clinics will be offered for a minimum of ten employees.

<u>Number of Employees</u>	<u>Cost</u>
10 to 99 (minimum of 10)	\$25
100 to 299	\$22
300+	\$19

Vouchers will be available for companies with less than 10 employees. Travel time and mileage expense may be added to programs outside of New Castle and Kent Counties.

Please contact Barbara Melvin, RN at CCOHS at either 302-428-2160 or 428-4251 to schedule your clinic.

Sincerely,

Barbara T. Melvin, RN
